GEO. D. MITCHELL, — EDITOR.

THE will of Potter Palmer, of Chicago, has been filed. The widow was left the measly sum of eight millions.

THE Democracy of the Ninth district will meet in Maysville Wednesday, June 19th, to nominate a candidate for Congress.

FORMER Secretary John G. Carlisle, who was sued by a cabby because he refused to pay an excessive charge, has settled the case.

THERE is said to be a youth in Cincinnati who was arrested for making love. There is considerable love making among the Paris kids.

A. T. STEWART opposed a street car on Broadway because he believed it would injure his business. Even the greatest merchants underestimate the vast influence of new agents of commerce.

MARRYING by advertisement seems to be quite the thing nowadays, photos not even being demanded as proof of the genuineness of the article advertised. Once more we want to remind a backward public that advertising brings results.—Ex.

AN exchange, says: There is one consolation. If provisions get much higher we can try Dr. Tanner's plan of living on water. He worried along for forty days on it and afterward was not much hungry.

THE Winchester Sentinel, says: Rev. Reuben Taylor, colored, of this city, claims to have fasted 68 days this year. Says he is doing this for the benefit of us sinners, and still Uncle Reuben looks to be well fed.

THE "full dinner pail" was a rallying cry with the Republican party in the last presidential campaign, and was worked for all it was worth. As the dinner pail of the laboring men no longer contains meat, a new campaign catch phrase will have to be adopted.—Georgetown Times.

THE Chicago council has passed an ordinance prohibiting under serious penalty the firing of explosives near hospitals on July 4. Some will regard this as good as far as it goes, but there are very many sick persons outside of hospitals.

REPUBLICANS are allowed the privilege of paying taxes to support the Democratic administrations, in this city and county, but they are not recognized in any way.—Winchester Sentinel.

Republicans are allowed the same privilege in this county, but the amount they pay is so small that a paper weight is necessary to hold them down.

THE late Potter Palmer was a striking example of the fact that it pays to tell the truth in business dealing with the public. It is said that when actively engaged as a merchant he never permitted an employee to magnify the quality of goods, but to state precisely its relative worth—poor, medium, fine, superlative, etc. He was born and bred a Quaker, and he died worth \$30,000,000.

CELEBRATED WORLD'S FAIR BAND.

Those who attend the Elks' Fair at Lexington this year, the dates of which are Aug. 11 to 16 inclusive, will have the pleasure of hearing Phinney's Celebrated United States Band, which played for six months at the Chicago World's Fair. The contract for this celebrated musical organization has already been signed. The band played for three months at the Pan American Exposition at Buffalo, thirteen weeks at the California Midwinter Fair, ten weeks at the Omaha Exposition, and has a national reputation.

It has been secured at great cost, and will be made one of the special features of the Lexington Elks' Fair.

Daily concerts will be given from 10 a. m. until 5 p. m., and brilliant illuminated spectacular concerts with fireworks in the evening. The band numbers 32 men, all of whom are soloists on their respective instruments.

In the Summer

Besides the great expense of heating water, the radiation from the range boiler surface makes the kitchen so hot the cook leaves.

When less cooking is done, or a Gas Stove is used to avoid the heat, there is no hot water save the scanty amount that may be heated on the top of the stove—and this at a season when the heat, bicycling, and all athletics make baths the most necessary. Therefore the Range Boiler System does not fulfill the requirements of the best water-heating device.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure Deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed, you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY & CO., Toledo, O.
